

Fact Sheet

Product: Eye Treatment Cream

Characteristic(s): White Cream. Paraben Free, No Animal Testing, Medical Grade, Non-Comedogenic, Made in USA.

Skin Type(s): All

Product Number: ETC027

Product Story

A rich, restorative eye cream formulated to deeply hydrate and revitalize the delicate eye area. Infused with hyaluronic acid, safflower oil, and aloe vera, it calms puffiness and replenishes moisture while improving skin suppleness. Vitamins E and A offer antioxidant support and promote cellular renewal, while retinyl palmitate and panthenol help smooth fine lines and reduce signs of fatigue. Lightweight yet effective, this cream absorbs easily and leaves the eye area soft, refreshed, and more youthful.

Suitable for professional eye treatments and daily home care. May also be applied to the neck area as part of a targeted anti-aging regimen.

Ingredients

Deionized Water, Glyceryl Stearate PEG-100 Stearate, Safflower Oil, Hyaluronic Acid, Aloe Barbadensis Leaf Juice, Butylene Glycol, Glycerin, Cetyl Alcohol, Octyl Palmitate, Stearyl Alcohol, Magnesium Ascorbyl Phosphate, Caprylic/Capric Triglyceride, Squalane, Jojoba Oil, Tocopheryl Acetate, Retinyl Palmitate, Palmitoyl Oligopeptide and Palmitoyl Tetrapeptide-7, Carbomer, Panthenol, Allantoin, Caprylyl Glycol, Potassium Sorbate, Ethylhexylglycerin.

The Dos

After cleansing, apply the Eye Treatment Cream around eye area day and night. This product can be applied to the throat area.

The Don'ts

For external use only. Keep out of reach of children. Discontinue use if any signs of irritation appear and consult a physician. Avoid contact (IN) eyes.

Suggested Products

Try our Vitamin C serum (20%), to tone/firm the skin and to protect the skin from free-radical damage. It also helps lighten the skin. Our Collagen Cream is an excellent night moisturizer.
