### Product Story

A scrub made with Benzoyl Peroxide and Polyethylene Beads designed to cleanse, disinfect and exfoliate dead skin cells. The exfoliating action of this product helps treatment products and active ingredients like the Benzoyl Peroxide 10% , Benzoyl Peroxide 10% with Sulfur Acne medication, or the Glycolic 10% with Salicylic, Glycolic 15% with Salicylic for Acne and Aging, to penetrate better when applied. Also good for the treatment of razor bumps and rough skin.

### Ingredients

Active Ingredient: Benzoyl Peroxide 2.5%  
Also contains, Purified Water, Ammonium Lauryl Sulfate, Disodium Cocoamphodiacetate, Polyethylene Beads, Butylene Glycol, Carbomer, Polysorbate-20, Sodium Hydroxide, Caprylyl Glycol, Potassium Sorbate, Chloroxyleneol, Fragrance.

### The Dos

For the removal of dead skin cells. On finger tips, work **Pumice Exfolient** into a slight lather, massage gently with finger tips in circular motion (do not scrub hard.) Massage up to one minute. Rinse well. Use once a day. Avoid eyes and neck. Follow with one of our Facial Cleansers.

### The Don'ts

For external use only, keep out of reach of children. Avoid eye area and neck. Discontinue use if any signs of irritation appear, and consult a physician.

### Notables

Benzoyl Peroxide products may bleach colored fabrics. Use with care.
