Product Story

This potent anti-aging moisturizer hydrates, firms, and smooths with its synergistic blend of peptides that support collagen production and reduce fine lines. Infused with hyaluronic acid, soluble collagen, and squalane for deep hydration, and fortified with vitamins C, E, and A to protect and renew skin. Shea butter, jojoba oil, provitamin B5, and aloe calm and restore softness while reinforcing the skin barrier. Ideal for post-treatment recovery or daily use in mature, sensitive, or normal skin types.
