

Fact Sheet

Product: Glycolic 10% w/Salicylic 2oz (62.5ML)

Characteristic(s): Clear Gel, Paraben Free, No Animal Testing, Medical Grade, Non-Comedogenic, made in USA.

Skin Type(s): Acne, Aging, Hyperkeratinized

Product Number: Gly10S011

Product Story

This professional-strength exfoliating gel features 10% glycolic acid, a power alpha hydroxy acid (AHA), to help dissolve dead skin cells, smooth texture, and diminish fine lines, uneven tones, and dullness. Infused with ascorbic acid (Vitamin C) to brighten plus glycerin to maintain skin comfort with use. Ideal clinically in resurfacing or anti-aging protocols or as part of a client's at home maintenance routine to improve skin clarity and texture under professional guidance. Suitable for most skin types.

Salicylic is a professional-strength beta hydroxy acid (BHA), gel-based exfoliant with 2% salicylic acid to deeply clear pores, reduce excess oil, and target blemishes. Suitable for most Acne prone skin. Avoid use on broken or overly sensitive skin. Follow with at least SPF 30 sunscreen during the day over treated areas.
